## PROFESSIONAL STATEMENT

Hi There! I am a professionally certified Photographer & Graphic Designer. I have hands on experience operating both as a freelancer and as an employee under various companies. I am very flexible in every aspect of my work & maintain experience in multiple facets of both Design & Photography. I am very enthusiastic about the work I create & will always strive to create the best version whatever I work on. I am currently seeking a position that reflects my experience & areas of expertise.

## WORK EXPERIENCE

2020-Present

### MEHRON MAKEUP | GRAPHIC DESIGNER & PHOTOGRAPHER

Responsible for social media account management as well as assisting and contributing to the creation of original, engaging marketing content and materials for a wide range of professional makeup categories for a top-tier global brand of Performance, Special FX and Beauty Makeup products. Design compelling graphics for digital content, advertising, and websites (banners, ads, email promotions, blog graphics, social media posts, brochures etc.) Assist in the collection and selection of model photography for packaging and promotional efforts.

2015-Present

### MARIAHPHOTODESIGN | FREELANCE PHOTOGRAPHER & DESIGNER

Photography includes: portrait, commercial, product, event, concert, fashion, editorial, e-commerce & real estate. Graphic Design includes POS displays, web & print advertising, social media content, illustration, website design, packaging & UX/UI Design.

2019-2020

### SMITH & WARREN | GRAPHIC DESIGNER & PHOTOGRAPHER

Social media account management, creating print/digital content for websites, advertisements, merchandise design, POS Displays, social media, and various other collateral. Support product development and product design through illustration and sketching.
